VOL. XII. NO. 14.

CHICAGO, WEDNESDAY, JANUARY 17, 1906.

PRICE 5 CENTS

TALENT HAS A TOUGH DAY.

ONLY TWO OUT OF THIRTEEN FAVORITES AT NEW ORLEANS FINISH FIRST.

Jockey Perrett is Suspended for Foul Riding-Rodgers and Phillips to Sell Horses-Shaw Leaves Crescent City.

New Orleans, La., January 16 .- Form counted for naught at City Park this afternoon. Pat Civill's Orly was the only one of seven favorites to score for the backers of the choices. Among the defeated ones was Alma Dufour, backed with a feeling of certainty at the short prices 2 to 5 and 1 to 3. The weather was clear and delightfully warm and the card was good enough to hold out promises of stirring contests. These conditions drew a large at-tendance, out of which came brisk speculation and much profit to the bookmakers.

Alma Dufour's defeat in a measure was due to ome crowding and bumping which occurred at the first turn, where the mare was sharply cut off and knocked back. The interference cost her four or five lengths, but apart from this she ran a dull race. Hall kept her out of the struggle until the race was pretty well over before making a move and it is doubtful if she would have won had she escaped the interference on the first turn. Alma Dufour has only one burst of speed. It will be some time before she is a 1 to 3 shot over a horse like Grenade, provided they meet at anything like the weights they carried today. Jockey Perrett, who rode Florizel in the race, was held responsible for the interference and was suspended by the judges

or six days for foul riding.

There were a number of arrivals from the east There were a number of arrivals from the east unis montaing and several of them put in an appearance at City Park during the afternoon. Among these latter were Henry Steckler, partner of Eddle Burke, one of the biggest operators on the Metropolitan Circuit and president of the Metropolitan Turf Association. Accompanying Steckler were Bart Newsome and Frank Brown.

Newsome and Frank Brown.

R. L. Rodgers has decided to dispose of his entire stable on Thursday. Included in his lot are Janeta and Garnish, the latter a great favorite with local racegoers. Rodgers has been in poor health this winter and has been advised by his doctor to go to Southern California. This is his reason for selling. Jack Phillips, tiring of the long spell of bad luck which his stable has encountered here, has also decided to sell out and all his horses will be sold Thursday. Phillips has arranged with Fred Burlew Thursday. Phillips has arranged with Fred Burlew to take his jockey, James Hennessey, east with him. He will go to Texas himself and put in about four months looking after some land interests he has there. Later on in the season he will go east and get together a fresh lot of horses. In their battle with twenty-four bookmakers

today at the old track, the talent fared badly, as only one lukewarm choice—Ruth W.—managed to finish first. The most pronounced favorite defeated was De Oro, the crack youngster recently secured by S. T. White from Newton Bennington for a re py S. T. White from Newton beamington for a re-ported price of \$2,500. His conqueror, Bertmont, is a smart looking colt that is showing improvement with every race and his victory today should make him a factor in the early stakes to be decided at the Bennings meeting.

After the finish of the second race jockey Johannessen lodged a claim of foul against Viperine, ridden by Johnson. He stated that Viperine swerved over in front of him in the stretch and impeded Nine when the latter was going fast. The judges did not allow the claim.

Today's arrivals included jockey Jack Martin, who, it is announced, will do the riding for Hayman & Watkins. Martin appears to weigh at least 13 pounds and it will be fully 10 days before he will be at a weight that will insure him riding regularly. Jockey Willie Shaw departed yesterday for Indian

where he will enjoy himself hunting and It is said that his reason for not accepting mounts here, was that he did not fancy the style of riding done here by a number in the kindergarten

Invincible fully proved by his impressive victory in the handicap that he has fully recovered from his mishap in the Inaugural Handicap November 30. Billy Myer has been working wonders with the track and if no more rain falls in the next few days the old oval will be in the best condition it has ever

MEETING OF A. T. A. DIRECTORS TODAY.

New Orleans, La., January 16.—The meeting of the directors of the American Turf Association scheduled for last night was not held. Several of the directors were gathered at the St. Charles Hotel last night, but there was no formal session and no business was transacted. It was announced this morning that the meeting had been postponed until Wednesday. -Edward Corrigan wired from Memphis today that he would arrive here tomorrow morning.

NO FOUNDATION FOR COMPROMISE STORY.

Mr. Corrigan Explains His Visit to Memphis-Reward for Arrest of a Murderer.

Memphis, Tenn., January 16 .- The presence here today of Edward Corrigan, looked on as the leader of the American Turf Association, in company with S. R. Montgomery, president of the New Memphis Jockey Club and a steward in the Western Jockey Club, gave rise to rubust rumors that a preliminary conference was on relative to settling the turf

hours together both denied that such was true. When asked for a statement, Mr. Corrigan seemed just as bitter as ever in referring to the Western Jockey Club, and with emphasis declared that if the opposing forces wanted any favors from the Ameri-can Turf Association they would have to pay dearly for them in the shape of concessions and a complete

Mr. Corrigan said that his visit here was primarily for the purpose of settling a promised reward on the officer who arrested Jessie Duke, a negro who murdered John Taylor, a stablehand employed at

the Corrigan barn here two years ago.

Mr. Montgomery had nothing to say except that
he talked to Mr. Corrigan as an old time friend of
himself and his father, the late Col. H. A. Montgomery, founder of Montgomery Park. Mr. Corrigan left on an early afternoon train for New Orleans after wiring his trainer he would be on hand shortly after sunrise at City Park to personally superintend the workouts of his racing string.

GETTING RID OF SOME OF THE POOR ONES Unique Conditions of First Race at Oakland-Muc and Rain In Abundance.

San Francisco, Cal., January 16 .- The Golden Gate has been one of the country's storm centers for the last four days. Telegraph wires were down in al directions and mud and rain in abundance prevailed at Oakland today. An interesting card withal was run off. Favorites and outsiders were alternately successful. The first race, won by Jake Ward, car ried unique conditions. Scratched and unplaced horses are barred for the remainder of the season from starting in races at Oakland.

Tam O'Shanter, winner of the third race, was bid up and bought by J. Blute for \$900, \$500 above his entrance price.

M. H. Tichenor & Co.'s good filly Fulletta was claimed out of the fourth race by H. W. Hoag fo

Barney Schreiber sold Jim Pendergast to T. A Davies directly after his victory on Monday.

Jack Keene and his jockey. Radtke, may after all, remain here for an indefinite period. Red Leaf will be a starter in the Lissak Handicap next Saturday and Radtke may accept a mount in the Burns Handicap.

Winner—Ch. f, by St. Avonicus—Ray of Gold (trained by J. F. Clifford).

Went to post at 2:30. At post 3 minutes. Start fair. Won-easily; second the same. Santa Ray decisively outbroke, outpaced and outstayed her opponents. Lovey Mary came fast from the rear and finished fast, running a cracking race. Niota followed the winner closely for five furlongs and tired. Saintolat, palpably short, showed good speed, met with early interference and finished well. Nettle Hicks. badly messed about and shut off, failed to stay. Miss Topy closed a big gap in the last half. Chispa, away badly, made up considerable ground. Pelf, away poorly, was pulled up and only cantered the journey.

Dr. Sherman held a forward position from the start and finished gamely. Rockland was a prominent contender throughout, finished like a shot and should have been second. Jerry Hunt steadily improved his position and was going fast at the end. Mocorito, handicapped by the going, made up ground.

Abe Meyer ran well and finished with a rush. Prominence ran well to the stretch and tired suddenly. Kizil maintained a fairly forward position to the stretch, where he tired. Went to post at 4:11. At post 6 minutes. Start straggling. Won easily; second the same. Ed Sheridan, lucky at the start, set a fast pace throughout and was going away at the end. Jackfull ran a good race and was the only serious contender, but was weakly handled at the finish. Chief Bush, in an extra good effort, held a forward position and finished well on the outside. Hainault, away slowly, showed a glimpse of his old-time speed, then tired. Bountiful failed to stay from a poor start. Bill Curtis was not good enough here. Lone Wolf, knocked back at the start, closed a gap, but likes stiffer going best. Scratched—59633*Major Tenny, 100; 59635*Trajan, 101.

TROUBADOUR FOLLOWS HIS MASTER.

Lexington, Ky., January 16.—Troubadour is dead at the Senorita Stud of the late Captain S. S. Brown.

Troubadour, a bay horse, by Lisbon—Glenluine, was foaled in 1882 and was one of the great racers of the early eighties and long a prime favorite of his lately deceased owner. In a year of extremely good three-year-olds he ran third to Volante and Favor in the American Derby of 1885 and won the Charles as good as himself.

Winner—Ch. g. by Salvatfon—Formella (trained by W. D. Randall).

Went to post at 1:40. At post 1 minute. Start good. Won early; second driving. Preservator got off badly, but improved his position steadily and, getting on terms with the leaders in the stretch, drew away and won in a cauter. Miss May Bewdish ran in much improved form and outstayed Fairatene in a bot drive for second place. The latter showed the most early speed and finished resolutely, but timps. Sandalwood finished close up and going well. Ha ran well to the stretch, then tired as if short. Mr. Scratched—59625-Myrtle D., 103; 59676 Pearl Waters, 103.

was taken to the front at once and, setting the pace throughout, drew away in the stretch and won in a canter. Miss Fidgety showed improved form, ran like a stayer and finished with a rush. Lady's Beauty came fast in the stretch, but thred under pressure in the last hundred yards. Game Bird ran well to the stretch, but failed to stay. Gulliver Fir showed speed. Nerska ran a bad race and will probably show decided improvement on a fast track.

Overweights—Lady's Beauty, 23 pounds.

Winner—Ch. f, by King's Counsel—Letter B. (trained by C. E. Diebold).

Went to post at 3:57. At post 2 minutes. Start good. Won easily; second the same. Ruth W. stood a hard drive gamely from the start, wore down Joe Colson in the first half and had enough left to withstand a determined challenge from Holloway. The latter, badly outrun in the first half, lost ground by going wide in the stretch, but finished with a rush and was going fastest of all at the end. Letty ran in improved form. Joe Colson quit badly in the last quarter after going a good half. Marvel P. is evidently in poor form and falled to show much speed. Beechwood can do much better.

Overweights—Letty, 1½ pounds.

GUESSING AT THE BIG HANDICAP WEIGHTS.

New York Opinion Concerning Imposts to Be Given Horses in the Brooklyn, Suburban and Brighton.

An annual occurrence that never lessens in interest to admirers of the turf is the announcement of weights assigned the horses engaged in the big eastern handleaps—the Brocklyn, Suburban and Brighton. Weights for the Brighton are due Janu-ary 25 and for the other two February 1. Probable weights are already the subject of animated dis-cussion, but on one point only are all disputants agreed and that is that Sysonby is the inevitable top weight. Concerning the trend of amateur con-clusions, the New York Sun of Monday says:

"All experts agree that James R. Keene's Sysonby will receive the top weight in each of the handicaps, but there is some difference of opinion pounds to the famous son of Melton and Optime. Such a burden is not considered too great in view of the past achievements of Sysonby, yet there are a few students of form that believe 129 pounds will be the official allotment. In looking over the long entry lists to pick out the other horses in their order as to merit and probable weight assignments the sharps for the most part believe that H. P. Whitney's Artful will follow Sysonby in point of Whitney's Artful will follow Sysonby in point of rating by the official handicapper, who may give to her perhaps five pounds less than the Keene horse, which is equivalent to the usual sex allowance. This opinion has been formed because of the tendency to place Artful practically on even terms with Sysonby, although some of the smartest horse-men have always maintained that the Whitney mare would be handly trimmed should a meeting with the son of Melton ever come to pass. Because

mare would be handlly trimmed should a meeting with the son of Melton ever come to pass. Because of the fact that Hermis, which received top weight last year in these three eyents, is unsound, and consequently not the great performer that he was when he captured the Suburban Handicap two years ago, it is thought that he will get about 125 pounds from toe handicapper, while John A. Drake's Ort Wells, also an uncertain quantity, may get in with perhaps a pound less than this allotment.

"Expert opinion also rates Stalwart, which did not race at all last year, on an equal basis with the Drake horse, with Oiseau and Aglie, both good three-year-olds last season, slated to carry the same weight, or a pound less than the burden to be packed by Ort Wells and Stalwart. Going down the line, the handicappers are inclined to place Wild Mint and Hamburg Belle next, with possibly 120 peunds each, to be followed by Tanya and Delhi with a pound less, and then Cairnzorn. The Picket, Tradition, First Mason, Blandy, Oxford and others until the three-year-old Burgomaster is reached in the calculations. Burgomaster was easily the best two-year-old colt, and for that reason it is believed that he will receive about 106 pounds from Mr. Vosburgh, as that is about the weight usually handed to the leading three-year-old filly last fall, getting in with perhaps two pounds less. Whimsical, another high-class filly, and Ormondale, the Futurity winner of 1905, are thought to be slated for about 109 pounds."

OTIS SCORES AGAIN.

(Extract From Chicago Daily News January 16).

Barney Schreiber and his stable continue to win the money out on the coast. Jim Pendergast carried the Schreiber colors yes-terday at Oakland and won the second race by a nose from Captain Burnett. Pender-gast was well backed in the betting ring, however, and many of the bokunakers were hit hard. George Otis and his friends forced the price from 4 to 1 to 13 to 5 on the Schreiber colt.

For the benefit of those who contemplate using y service and wish to be informed on the sum-ary below, I will state that the fifteen horses my service and wish to be informed on the sum-mary below, I will state that the fifteen horses listed are the winners from twenty sent out by me since December 10 (scratched not counted, of which there were three). I have not had more than two straight losses (I consider a horse that places or shows a loss), out of eight horses given by me since January 1; two have lost, one January 6, the other January 12, the other six won. I can back up these assertions with absolute proof and money. I hold out no alluring promises to any one and at no time have I ever resorted to unscrupulous methods to influence or decoy prospective patrons. If you are willing to limit your bets to a few a week, I think I can be of service to you, surely the results at-tained by my clients and the organization have been sufficient to warrant this claim

I will not only pay this sum with a certified check on the Federal National Bank of Chicago, but will allow in addition a single full column space in this publication which I will pay for, to the person to denounce me as an impostor. I make the above of force without research. postor. I make the above offers without reservation, not only to those who contemplate coming in and my clients, but to the fellow who has been "bunked" elsewhere and may be tempted to say: "Well, he gives three or four horses a day and then takes one that wins and advertises it."

Some day this week I will give out to my clients a trick that they can get down for a good bet and feel reasonably safe. The price should be from 5 to 20 to 1, according to the company. This is the one which was the subject of my letters of December 18 and January 1. The horse is at New Orleans and the clique are getting ready for a coup. It is very imperative that my clients hold in readiness that they may avail themselves of this affair. In the event of your address changing, kindly notify me by wire immediately.
